

From Joe & Cyndi

Congratulations!!

When you turn your life over to Jesus, it's a BIG DEAL!!! This means you are saved. This also means you are willing to let the light from Jesus' word and from His life shine

over your own life. You can now throw some of your old thinking away. It won't be easy. But God is a God of redemption, restoration, healing and so much more. Each day is a new day an opportunity for repentance and forgiveness. What you say and do will have new meaning. To be converted is a radical decision, the Bible says, it is "that you put on the new man which was created according to God, in true righteousness and holiness." Ephesians 4:24. The new standard for you is not what serves me and mine best, but what is of benefit to those around me.

This will impact your life tremendously with many blessings. "Therefore, if anyone is in Christ, the new creation has come: The old has gone, the new is here!" 2 Corinthians 5:17 You are a new creation. What is your goal in life? Please join a bible-based church and consider getting baptized. Relationships with other brothers and sisters in Christ is essential to an abundant life.
